

Mp3 Charles Meeks - Welcome To The World

[DOWNLOAD HERE](#)

A soulful, melodic blend of interesting vocals, music, and thought-provoking lyrics. 11 MP3 Songs
URBAN/R&B: R&B Pop Crossover, ROCK: Folk Rock Details: Gifted with creative abilities, Charles Meeks has added a touch of magic to the recorded works of numerous artists, as well as, sharing with the world his own musical interpretations which convey positive messages, intellectual musical arrangements, and thought-provoking lyrics. When singing, playing the bass or harmonica, Meeks performs with the kind of feeling that brings warmth to the hearts and souls of his listening audience. His music creates magic moments where listeners feel inner emotions which help them to reflect upon special times in their lives - both past and present. Having toured or recorded with a list of successful artists which include Earl Klugh, Sergio Mendes, Patrice Rushen, Chuck Mangione, Lee Ritenour, Harvey Mason, Bill Withers, Eric Gale, Billy Cobham, Al Jareau, Lionel Richie, Freddie Hubbard, Sonny Rollins, and Hubert Laws, Meeks has absorbed a wealth of musical knowledge which helps him to be a creative force when called upon.
