A capella choral world music, Bulgarian folk music. 11 MP3 Songs WORLD: Eastern European, FOLK: Traditional Folk Details: Cosmic Voices from Bulgaria are the most popular bulgarian Folk choir today, the choir was founded in 1994 by the producer Emil Minev and conductor Vania Moneva. Today this unique choir includes 21 female singers carefully selected by numoereous castings in different regions in Bulgaria. The characteristic sound of the singers is typical for the Balkan culture. The choir has released its first CD "The Choice" in 1994. Since then followed concerts in France - 16 concerts all over the country, Spain - 15 concerts, Jazz festival at Split - Croatia, Concert tour in Italy, tour in Austria - Voice mania Festival, Klangwolke in Linz, and in the two biggest cathidrals in Vienna,tour in Germany, Festival in Budva - Montenegro, Concert at NATO base in Sarajevo,tour in Israel, Concert for the UN Mission in Vienna, Jazz festival Apolonia in Sozopol, Bulgaria, Concerts in Chisinau - Moldova and opening the European Musical Festival in Sofia, Bulgaria. The choir has worked on numerous CDs productions with internationally acclaimed artists such as Vesselina Kasarova - BMG Classic/Red Seal - her CD with Cosmic Voices "Bulgarian Soul" earned the ECHO Award for World Music, Kristian Kolonovits, Ikuko Kawai - JVC Victor Japan, Yoko Kano - JVC Victor Japan. Documentations - Films for Cosmic Voices from Bulgaria were shown on international channel such as ARTE, ZDF (Germany), the english composer Howard Goodall made a presentation for the choir on Channel 4 - U.K. Cosmic Voices recorded also some music for the Italian Film Production of "NOMAD II 2005", music by Carlo Siglotto. The two volumes of "Bulgarian Choral Folk Songs" belong definately to the biggest musical achievments of this unique choir - not only because they have been incredibly arranged by the composer Krassimir Kiurkchiiski, but because the Bulgarian Folk Music is a real musical treasure making a cross over

between the european musical tradition and the east-european one,collecting in itself numerous cultural and ancient Balkan tribe influences - Thracians, Great - Bulgarian Tribes and the ones of the Slavonic Tribes. Cosmic Voices of Bulgaria is surely the best export cultural project of Bulgaria today and a real delight for the years, enjoy it. KVZ Music
