I have composed nearly 25 Piano Compositions. Most of my songs, are piano concertos. Only a few are up tempo songs, for my granddaughters to hop to. Enjoy. 10 MP3 Songs in this album (17:36) ! Related styles: CLASSICAL: Concerto, EASY LISTENING: Love Songs Details: This Album is the Fruit of Prayers, prayed before the Blessed Sacrament. Whenever, I could find the time, after work, I slipped into Church to pray. In January 1997, I taught myself how to play the Piano, in front of the Blessed Sacrament, at a nearby Catholic Church. I said, Lord, teach me how to have fun. As I sat there, and visited the Good Lord, I looked over towards the Piano, walked over, sat down, and began to compose my first song, Divine Love. No doubt about it. It was an answer to my prayers. Since 1997, I have composed 25 Piano Compositions. Most of my best compositions are Piano Concertos. A few named after my granddaughters are up-tempo songs, so they can dance and twirl about, and have fun. Enjoy!
