ellee ven's alt electronic songs remixed by award winning DJs for dance music that will make you move. 6 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Pop Crossover Details: - In an era in which music fights to meet industry standards, ellee ven (el-ee-vehn) establishes a standard all her own with groovetronics: a mix of rock, dance and electronica. "Good melody finds a home in all kinds of music," says ellee ven, "Project 11 proves that to be true". ellee ven's release Project 11 will showcase ellee ven's alt electronica tracks remixed by up-and-coming /award winning producers scheduled for release every eight weeks for an indefinite period of time and will be available on vinyl and CD (at an EP price). Project 11 is ellee ven's commitment to DJ's for their constant support of her. "Thanks to DJs, my music is spinning internationally. Because of their support, my videos have also been aired on Much Music Television's The Wedge (Canada) and BPM-TV. The music plays on hundreds of stations domestically too.", says ellee ven, "DJ's control the play list...they like a variety of music and so do their listeners. Think about Jay -Z releasing a single with Lincoln Park, or Tim McGraw and Nelly. It's about great songs, great creative energies collaborating to make something unique...something magical...." ellee ven's list of collaborators include Grammy Award Winner Reggie Dozier, world-known turntablist, DJ Swamp Billboard Remixer/Producer of the year CHRIS BROPHY, Grammy Award Winner DezRok, DJ Solange (nominated for UP AND COMING FEMALE DJ OF THE YEAR by BPM), Antony Lee and South Central Cartel's Prodje. ellee ven says, "As a writer, I can't limit myself to genre. I only decide between "good song"/"bad song". I want to work with people who have a broad range of musical influence." Stretching the concept of "genre", ellee ven's lyrics are per usual, part of her mystique. ellee ven has been featured in Rolling Stone, Music Connection, and Billboard and is currently charting nationally on radio. ellee ven's site (elleeven.com) showcases the range and diversity of her music. Her catalog of music has become

extensive and ellee ven's self-titled genre groovetronics has from the start defined ellee ven as an independent thinker. What's more, is that it pays to be an ellee ven fan. With the purchase of her current release FUNKY BOHEMIA, ellee ven is offering her fans the "Win A Trip To Hollywood" contest from March 29th to September 25th 2005.
