Jazzy, ethereal music ranging from tranquil to exciting, always uplifting. Rich in texture and emotion. 12 MP3 Songs JAZZ: Jazz Fusion, NEW AGE: New Age Details: Uplifting is a word which readily describes the music of Flint Blade. His unusual instruments and unique style add a sense of freshness to every space. Fully equipped for events of any size, Flints performance of standards and originals is truly unlike anything most have seen, yet is something everyone can appreciate. Sometimes called New-Age, Flints sound is an ethereal fusion of jazz, classical, and ambient music. His intricate melodies, flowing harmonies, and upbeat rhythms engage listeners. Inspired by everything beautiful, his music entertains and intrigues while nourishing the soul. Flint comes from a well-founded musical background. Having been raised on music, he took formal classes in college and studied for two years under world-renowned guitar innovator Michael Bianco, designer of the custom T-14 tapping guitar Flint plays. Honing the techniques developed by Bianco, Flints two-handed tapping approach creates a texture something similar to a harp and a grand piano in one distinctly fresh instrumental style.
