

## Mp3 Fred Gillen Jr. - Gone Gone Gone

[DOWNLOAD HERE](#)

Intimate performances of songs about the human condition. "Gillen performs a straight-ahead style that blends the earthiness of Americana, the punch of Rock -n- Roll, and the confessional quality of folk."

-Pete Hanson, Metroland Magazine 10 MP3 Songs FOLK: Modern Folk, ROCK: Americana Details: This is the first full-length CD from Fred Gillen Jr in four years. It features guests Andy LaDue, Abbie Gardner, Steve Kirkman, and Laurie MacAllister, and includes 8 new original songs, 1 old original song, and 1 Woody Guthrie cover... "Fred, your record is so good i nearly soiled myself when i heard it." -Koji Mabuchi, Chicken Coop Records
