He is one-eighth of a crew known as "The Official." The crew is a blend of individual artists/producers that come together to create a brand of music that the world is just about ready for(WWW.THEOFFICIAL.NET). As an individual, Friz is the Athlete/Entertainer of the crew. Playing Basketball throughout his High School career, he went on to play Division-1 basketball for St. Joseph's University in Philadelphia. After playing overseas for a year in 2001 he took some time to fulfill a life-long desire to construct his first full-length hip-hop project. Always finding pleasure in sculpting rhymes with witty word-play and plenty of hidden jewels, Friz has finally finished the LP entitled "Old Soul the Album." This album presents the side of FrizWill that has rarely been seen. To let him tell it, he explains it like this: "Everyday, men and women live their lives according to their surroundings. At work, school, or in the streets, they are constricted to being the way other people want them to be. What if you could say what you really feel? What if when people looked at you they could see the person that YOU see everyday in the mirror? Well...every single time I've looked in the mirror,"Old Soul the Album" is exactly what I've seen. Soon the world will see it too." Old Soul the Album features: Rah Vital (N.B.S.) Sean D.O.E.G.H. (The Official) The Specialist (Verbal Vets) Big C (R.A.P.
