eighties style rock 10 MP3 Songs ROCK: 80's Rock, POP: with Live-band Production Details: The debut release of GAG Order Records and the George Gesner Project (GGP) features 30 of the top vocalists and musicians from the Great Southwest performing on rock songs written by Gesner and friends... Songwriter/producer George Gesner assembled this all-star project in the heart of the southwest off historic Route 66 in Albuquerque, New Mexico. The project, which highlights a fantastic selection of 10 well-crafted, hook laden power pop and rock tunes, features international recording artists Sara K. and Ramon Bermudez Jr., legendary Denver rock band, Kid Sister, recording artists Fritz Richard, Kevin Hughes, Linda Collier, Steve O'Neil, Jack Moore, Clay Benard, Doug Bossi, Lawrence Dominguez (Strawberry Zots), and many others. "Water from the Moon" is proof that good material, good talent, and good friends make the right combination for GGP's outstanding debut.
