Alt Country...White Trash Pop 9 MP3 Songs COUNTRY: Country Pop, ROCK: Folk Rock Details: "All This And Pecan Pie" marks Alt Country/Rocker Langston's first foray as a solo talent with an energetic romp into warm countryesque pop. The 70's tones and 90's style backed by a compendium of industry all-stars (veterans of Sheryl Crow and The Wallflowers to name a few) makes for a charming old-school experience reminiscent of Wilco and Lyle Lovett. Highwire Daze Magazine's Kenneth Morton writes, "Langston's ingenious writing is catchier than Hell, with lyrics that ooze clever cynicisms."
