Powerful, soulful voice singing about betrayals, heartbreaks, and hopes for love. 11 MP3 Songs POP: Pop, URBAN/R&B: Soul Details: Singer-songwriter James Eckersley has been singing and developing his craft for decades. Critics across both coasts have been mesmerized by James' powerful, soulful voice, and his songwriting abilities. He is without any doubt to be the next new king of pop/soul of the 21st century. James Eckersley's voice has been described as a cross between Sting and James Blunt voice, but with his own distinctive flavor and fans cannot have enough of it. In October 2007 he released his EP Back To Earth and soon after that he started writing for his debut album Fading Away. He recorded the album at the Lofish recording studio in NYC with producer Sean Hagety. Fading Away is a magnificent debut album it is full with raw emotions. Its a wounded heart singing about betrayals, sorrows, heartbreaks, and hopes for love. James writes true songs that anyone with a heartbeat, anyone who have ever experienced love, or will experience it will find it easy to connect with James Eckersley songs. As a teen James went to performing art high school and he had also earned a degree in Liberal Arts in college. James found the passion for songwriting in college where he wrote about pretty much every thing. After college when he finally felt ready he turned his writing into music, and James Eckersley discovers his artistic calling. Today, James Eckersley resides in New York City. With all New York has to offer to musicians James will begin to perform at several venues up and down the coast. People who are interested in Sting Amy Winehouse James Blunt should consider this download. Tags: pop
