Alternative country with angelic female vocals and pop accessibility. Joyce Meré took her own life. 1/30/2004 12 MP3 Songs POP: California Pop, COUNTRY: Country Rock Details: This second CD by this Californian beauty is a great follow up to "Another shot of yesterday" and a good follow up. The music is country, every track had been played well by radio stations worldwide. Joyce has again used her sexy voice and style to compose some great songs, with widespread appeal to all. Songs like "Helping hand" and "Take me back to the country" with a mellow country style mixes with the upbeat rock style of "Friend," "Gonna steal you away" and "Love like a river" make this a must. Every song is personal to Joyce who has put her heart and soul into the music and lyrics. Tragically Joyce took her own life in 1/30/2004 in the most awful circumstances - and nobody wants to know why.
