Details: When we asked 5 people, "who's voice does Justin Grennan's remind you of?" The answers were resounding. "Stevie Wonder". "Michael Jackson". Steve Perry. "Jay Kay". "Bryan Duncan"...and many more. Born and raised in Enumclaw, Washington, Justin sings with the soul of a southern bred Delta Blues veteran. With a full voice range that rivals a second tenor up to a first soprano, Justin brings life and emotion with his gritty yet intoxicating vocals. Soul, Blues, Songwriting, R&B ... it's all there. Justin steps on stage and whether backed by his band, or just an acoustic guitar in hand he begins to strum and vocalise to the best of anyone's ability. From the first note, you know you're about to hear some music that makes you grimace and sweat as if writhing to the beat and fever of someone like Al Green ... someone like Marvin Gaye ... someone like Teddy Pendergrass. With the release of his debut album in 2008, Justin will be touring and showcasing all over Southern California and surrounding states. Justin now resides in Southern California where he is building his future in music.
