She is a woman of several qualities, talents, and gifts. Even through the storms, Diana has stood fast. She has five children, one of whom has been handicapped due to a seizure disorder and Autism. That did not destroy her, but has made her stronger and has helped her become the woman that she is today; always joyful, hopeful, and passionate in everything she does. In spite of the storms and waves of life, her faith is steadfast and Gods hand is always near. She was born in Brooklyn New York and grew up in the city of Miami Florida. At the age of sixteen she began a career in cosmetology working in prestigious parlors. She has maintained her license and has continued her knowledge in the area of cosmetology to this day. The inspiration of her faith came through her grandmother, Celenia Irizarry, who prayed for Diana until she accepted Jesus Christ as her Savior at the age of eighteen in a small Pentecostal church. During that time, Diana moved from Miami to Haines City, Florida. At this time, she took the opportunity to complete a degree at Southeastern University. With a burning hunger and a desire to share the Word of God, she majored in theology and music education. In 1989 Diana worked in the area of drug rehabilitation, "Christ is the Answer", together with Pastor Sammy Vega and then in the Ministry of Singles and of Children at New Song Assemblies of God. While at the Southeastern University in Lakeland Florida, she met Larry Carpenter who today is a Captain in the United States Army. She married Larry in 1991. It is her love for music that stirred in her the desire to join the University chorus; which gave her the opportunity to sing in different Churches. In 1994 she performed live in the production of the "Hallelujah Chorus", along with Sandy Patty and Carmen. She was chosen as the main soloist in the chorus and ensemble of Southside Assembly of God Church, where Diana and her family were

faithful members for eleven years. Diana and Larry received their Bachelor of Arts degrees from Southeastern University. Larry graduated in 1995 with a Psychology major, and Diana in 1996. In that same year Diana performed her Senior Voice Recital in Opera, singing thirteen songs in five languages (Spanish, English, French, Italian and German). In 1996 Diana had the privilege to take part in a concert to raise funds for the "Wish Foundation". This organization is dedicated to help unfortunate children with terminal illnesses. In this concert, she sang nine songs and it was a success. Three days later she gave birth to her first daughter. In 1999 she recorded the production "Reflection Live" along with the ensemble Southside A/G, where she sang soprano, mezzo soprano, alto and tenor. Diana has organized and participated in various public concerts. One of them was in 2002, the Latin American Christian Festival" in Munn Park, Lakeland. In this great festival, there were food stands selling Latin American cuisine. At this concert, Yadira Coradin, Juan Carlos Dominguez and other groups sang along with Diana. The Lakeland Ledger recorded this festival in the front page of the newspaper for the following day. Diana comes from a talented family. Among them is her cousin Jeff Morales with El Capitan among many, and Dominick Valdez with "First So Last: The Hour Glass" and her father Tony Souffront with "Cerca de Ti" and her newly discovered cousin from Puerto Rico, Mirelys Ocasio with Contigo, among many other family artists. Because of Dianas love of her culture, she has become an expert in the Latin American culinary art. She has studied Latin American customs and has filled her house with the rhythm of her culture. Because of her love for Jesus Christ, lost souls, and music, Diana has pursued this powerful and anointed recording. This great effort was done to share these songs inspired by her mother and her great-grandmother bringing in a new movement and impacting all listeners with its message.
