R and B that was more popular in the 70s that could be more seen as 70s Pop. 21 MP3 Songs POP: 70's Pop, POP: 90's Pop Details: My first compositions that I recorded with my first keyboard, drum machine and four-track recorder. These songs have been setting in a cassette case for about 22 years. I found them in my old archives of music and productions that I did from when I first got started in recording music. They are as originally recorded, errors and all. Have fun checking them out. Pierre S.L.R Records Inc. slrrecordsinc.com
