In Saratoga, Ria performs jazz standards at The Inn At Saratoga, r&b/jazz/rock at Morrissey's and has enjoyed sitting in at One Caroline, Bailey's, Panza's and Gaffney's. Ria is also proud to contribute her original recording, "Summertown," which she describes as "lazy jazz swing," to "Saratoga Pie" -- a charity benefit CD produced by Grammy-winner Joel Moss and Charlie Eble, aimed at raising money for the Saratoga Center for the Family. Ria is presently recording an album of jazz standards, co-writing with other artists for their projects, and starting work on a new album of original songs to come out next year.
