Radio has called Ron a storytelling genius, with the power to spin out gut-wrenching tales from the heart. Each song is born through the ache of personal experience, tragedy and triumph, ruin and rebirth. 10 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: Some of the greatest entertainers and songwriters in history were all rebels in their own right. Unwilling to compromise art for the almighty dollar, yet having a voice that literally demands to be heard. That's Ron Brown. Radio has called Ron a storytelling genius, with the power to spin out gut-wrenching tales from the heart. Each song is born through the ache of personal experience, tragedy and triumph, ruin and rebirth. The passion and energy in his music and in concert comes from his innate desire to bring the audience with him on his journey. The intensity of his magnificently deep, rich voice and powerful lyrics holds them spellbound. With two songwriting contracts under his belt, T.V appearances and now the N.A.R. Country band of the year award to his credit, along with two tracks on this album hitting the number one spot on an independent chart, And now being heard on radio stations throughout Europe as well as the U.S.A. It's sure that Ron will be around for some time. Come join us for a ride on his, new self- titled CD. We're sure you will enjoy it.
