

Mp3 Shelley Neill - Entree Blue

[DOWNLOAD HERE](#)

"Don't be fooled by Shelley Neill's conservative Bostonian roots or her Melanie Griffith bloneness. Beneath those sunny curls is a head for the blues and a torch-singer sensibility..." (from a review of her last CD in JazzTimes Magazine) 7 MP3 Songs JAZZ: Jazz Vocals, BLUES: Blues Vocals Details: Boston-based vocalist Shelley Neill's new CD entree blue infuses R B rhythms, blues overtones and a unique selection of material guarenteed to have you hitting the replay button, over and over. Her talented rhythm section includes Sunnyside recording artist/pianist Laszlo Gardony, drummer Yoron Israel, and Ron Mahdi on bass. Neill has a distinctive voice, and an abiltiy to consistantly choose material that both defines and supports her one-of-a-kind delivery. Her choice of unusual rhythm shifts and her finely honed and interperative vocal approach to the music mark a new stage in her musical development. Where her previous CDs captured the essence of the jazz and blues singers that came before her, this CD clearly defines her own unique musical style - original.
