The popular Liberian Artist who became famous for his politically comic song, Baboon Want to Become President. The Liberian Artist has another side of his music that doesnt go down well with everybody. When he sang the Everybody Want to become President Album, some people felt he was referring to political opponents of President Ellen Johnson Sirleaf, but he denied this. I wasnt referring to George Weah as people are saying, but we have to admit that this is an African problem for you to see someone in higher position for which he or she is not qualified for. That was exactly what I was referring to in the song. Bay jay is the hottest on the new album which he said means Because of you.
