And I want to personally take a moment and say thank you for taking a interest in my music selection. I have been making music, playing music, singing music, and involved with a music career for over 40 years now. I have had the pleasure of playing with some well known and professional artist such as Bill Monroe, Ralph Stanley, The Osmond Brothers and many other bluegrass/Gospel greats. My life has been pretty simple and blessed in the music industry. At the ripe age of 81, I still am traveling and enjoying my career and hoping to continue it for many more years to come. I along with my great colleagues helped make my music come alive. The music I have produced can be enjoyed by all walks of life young and old. In todays time my effort is focused on inspiring young bluegrass musicians with my music. I think Im certainly on the road to success. I thank you in advance for any and all of your purchases from me and Im hopeful you will love them and be listing to them for a long time to come. Sincerely, Ray Hoskins (Kentucky)
