I want to introduce the vibraphone which is a percussion instrument as my main instrument, into world beat, Hip Hop, Dancing music and Easy listening ballads 8 MP3 Songs WORLD: World Beat, HIP HOP/RAP: Hip Hop Details: The Good Eye Band I wanted to put my instrument as the main instrument on the CD, " The Vibraphone " which is a descendent of the African Xilophone and Marimba from Guatemala and Mexico, it has a floating and percussive sound that would sync with any drummer drum machine or congas, or other percussions, it's a lot of fun to play on. I'm Sky Young the leader of The Good Eye Band, I sing and I am the songwriter and play the vibes on this CD. This CD is my first CD, and song # 5: Your in Love Land wich is an Easy Listening song, it was played around the world one day by Aretha Franklins nephew: Al Franklins Jr. . I read in the Bible that one description of heaven is a Male and a Female walking down the road shearing ideas,on how to live and dont go too slow, dont move too fast happens to deal with balance of The bodies of Male and Female around the world, which produces a Land of Love; Love Land, I started singing we are in heaven and then it turned into were in Love Land. We wouldnt be here without LOVE Song # 2: Cool was done in former member of Earth, Wind and Fires Studio Al Mckays Rhythym Records. Cool is a Hip Hop song ; I wanted to make everybody say the word Cool so well keep remaining every body, how to take control of situations in the times of struggle, let the Creator flow, toughts of doing good things and say Small things, can be Big things too and do your best. I was influenced to sing by my father when I was a child, after which later I starter singing to Jose Feliciano Records, I thought he was unique, because he was blind and he could sing well, later I started singing to and listening to and writing lyrics to The Isley Brothers, then I starter using my memory and memorizing lyrics of Michael Jackson Records. Then later I Major in Business High School, later I was Dj for the High School that I went to, then later I went to "Conservatory of Music"

where I studied Piano, Voice and Vibes. Then went to "College Major in Music and Major in Law", where later I played for The College Anniversary and performances in College Theatre where I was friends with Good Times Show Actor Ralphs Carter and Sister Vicki Carter, who acted with Janet Jackson on Good Times. Then I got a Diploma from "The University of Sound And Arts" in Audio and Video Engineering. Now I'am studing the vibes with the World famous drummer "N'dugu Chancler" who plays drums on the biggest selling Album of all time Michael Jackson's " Thriller" on the songs "Billie Jean", "Baby be Mine", "P.Y.T ( Pretty Young Thing).
