

The Gift Of Her Submission - Sascha Illyvich

A Man who Lives the Life writes His First Book about Dominant Men and the Women who are Their Slaves! With subs and former subs scattered across the country, bestselling author Sascha Illyvich has waited till now to create a picture of cruel masters who force the women they have chosen to submit and then teach them to love it! By turns savage, ravishing bdsm, and heart-pounding romance The Gift of Her Submission defies description. As Ayden Delacroix has written in In the Library Reviews: "Mr. Illyvich wonderfully portrays the Dom/sub relationship as it can be: romantic, caring and full of love. While I found some of the stories contained a bit too much pain for my taste, they were still delicately written and contained warmth." A must-read!
