American Zen failure Chadwick this time is in a Western Australian caper. He went there, he writes in the introduction, "on a whim to visit a dear chum, meet her family, friends, and homeland, curious to explore, anticipating only the warmth of new acquaintance, the excitement of unknown flora and fauna, the joy of walking about. There was that, but then there was the unexpected as events propelled me with brazen mates into a bizarre treasure hunt for another lass, one in danger of the grave." Join Chadwick and his cast of curious characters in the search... To Find the Girl from Perth.
