How To Get Hordes Of Free Traffic, Free Publicity And Increased Sales From Simple Articles The fact is search engines love articles. It loves article directories like EzineArticles because it has thousands and thousands of content-rich articles. All these articles are being read, reprinted on other sites and most of all they are generating traffic to the author's site. You leverage on these high traffic article sites by simply writing and submitting your articles to these sites. So what if you hate writing? Writing may not be on your strong side. Article writing doesn't have to be painful. All that's required is a content-rich, keyword-rich 400 word article and you're done. The more quality articles you submit the more traffic you'll get, the formula's that simple. But Where Do I Even Start? That's why I've written a special report covering article marketing. Introducing... 'The Internet Marketer's Guide to Article Marketing'. Here's a little of what you'll uncover... The bare essentials you need to know about article marketing The big benefits of harnessing the power of article marketing and why it is a must-have in your promotional strategy Getting started with an effective article marketing strategy, and how to make use of article marketing strategies Four types of articles you can write. You'll never run out of ideas using these four examples. How to optimize your anchor text and why the keywords you choose is important Ways to diversify your articles to offline modes How to research for keywords for your articles Tips on how to write better articles from being personal to avoiding grammatical mistakes and 12 other tips to improve your article writing. How to submit your articles to promote your products/services Seven rules you should follow when submitting your articles How to write an effective resource box/about the author box. Your resource box is a critical part of your article. What to avoid in your resource box Going viral with article marketing + much, much more! This meaty report is for anyone who wants to gain more traffic to any site in any niche! Just imagine how much time and money you'll save on advertising and promoting. The articles you write and submit will work 24/7 for you generating traffic for you while you keep growing your business and ultimately you'll end up having more time to enjoy the things love doing.
