Zac Mitchell and Bryce Tellier were best friends for the first two years of college, but things got complicated their junior year. Their senior year isn't looking to get any easier. Zac is out with a bang, featured in a magazine article on queer college athletes. Bryce didn't have a clue, but now Zac's revelation is shattering his world, making him question everything he thinks he knows, making him wonder if he'll manage to keep things together. Bryce's father wants him out of the house he shares with Zac and two other friends, doesn't want him around someone like Zac. Bryce has spent years ducking his brothers' accusations about his sexuality. Now, Bryce has to decide where he stands, and he has to face how Zac makes him feel. Zac spent years working up the courage to come out and now he might have to go back in the closet to be with the person he wants most. Nothing seems right when Zac and Bryce part, so can these boys make their relationship work?
