Before Daniel Burke was the "real Indiana Jones," Cate Wells thought he was everything she could ever want. Then, after a humiliating experience eight years ago, she realized how wrong she was. When Cate comes into possession of a carved wooden box, she knows Daniel is the only person who can authenticate it. Sure she can separate business from pleasure, Cate decides to see him at a conference he's attending. But with one look into Daniel's eyes, it's clear to her the heat between them hasn't dimmed. Giving in to their shared fantasy would be career suicide. Especially when Cate isn't sure if she wants the man...or the myth.
