

Introduction To Electrical Installation Work - Trevor Linsley

[DOWNLOAD HERE](#)

This introductory guide to electrical installation work provides all the key concepts and practical know-how you need to pass your course, minus the difficult maths and complicated theory. Written in a clear, readable style and with a highly visual layout, this book will quickly provide you with the all-important knowledge you need to understand electrical installation work. End of chapter revision questions will help you to check your progress, and online animations and video demonstrations will help you get to grips with relevant theory and practice. Designed to match the 17th edition of the IEE Wiring Regulations and the new City & Guilds 2357 Diploma in Electrotechnical Technology, this book covers everything you need to get started on your path towards a career in electrical installation or related trades. Also available: Basic Electrical Installation Work 6th edition Trevor Linsley ISBN: 9780080966281 Author: Linsley, Trevor Publisher: Routledge Illustration: N Language: ENG Title: Introduction to Electrical Installation Work Pages: 00000 (Encrypted EPUB) / 00000 (Encrypted PDF) On Sale: 2011-12-31 SKU-13/ISBN: 9780080969404 Category: Technology & Engineering : Electricity Category: Technology & Engineering : Construction - Electrical Category: House & Home : Do-It-Yourself - Electrical
