Never seen a jackalope? Not even sure what one is? Well, you've come to the right place. You'll get the whole wild story right here in this book. You see, the jackalope didn't start out with horns. First he was a plain old hare. You know, a jackrabbit. The horns came later, along with a corny fairy godrabbit and a cranky coyote. And the trouble those horns brought--hoooo-wee! With a gut-busting brew of sassy storytelling and outrageous art, Janet Stevens and Susan Stevens Crummel finally give the jackalope his due. After all, he's long been part of American legend--isn't it time to tell the real story?
