Book 3 in the Cyborg Seduction series. Being a female mechanic on a space station for eight years has taught Dawn a lot of tough life lessons that have hardened her heart. She's got a temper and a mouth to match her red hair and has never backed away from a challenge. Then she's kidnapped and blackmailed into agreeing to be a cyborg's personal sex slave. Iron is one big bastard with long, fiery red hair, intense, dark blue eyes and a stubborn streak as thick as his dense muscles. If Iron thinks he can tame her, he's about to learn that "meek" is not in Dawn's vocabulary. But with that handsome face, a body to die for, a wickedly talented tongue and those magical hands, the guy just doesn't fight fair. Dawn is intent on melting Iron's icy resolve to never fall in love with a human. He's winning her heart and she's determined to win his right back. These two redheads have just met their matches. Let the battle for love begin.
