In the 2008 returns to Jiquilpan, Michoacan, Mexico and releases his second titled disc Paisajes Efimeros, founds the Union of Young Artists XIQUILPAN to give promotion to the talents of the region, at the moment collaborates with Mexican, French artists and of several parts of the world, composing and producing music and multimedia for shortcuts and films, besides continuing his work for the environment. REVIEWS Lifetime Music... Barcelona, España De una finura y sutileza excelentes, el sonido que se desprende de las composiciones de Ainur respira paz, tranquilidad, con arranques de dureza momentáneos, fantasía, oscuridad positiva. Como bien se define, música ideal para bandas sonoras, pero también para ser escuchada y disfrutada con tranquilidad. Música de calidad, elaborada con sentimiento. Jorge Martínez Villaseor Escritor Jiquilpense, Cronista de la Ciudad, Cofundador de la Asociación Mexicana de Ciencia Ficción y Fantasa (AMCYF) Piezas supermodernistas, de vanguardia, paisajistas, descriptivas y evocadoras, con un toque de la música futurista de la ciencia ficción, para escuchar y soar.
