Implemental reformist metal 8 MP3 Songs Metal Implemental Metallic Metal Progressive Metal Shades and Shadows Songs Details: "Shades And Shadows" is the first release by AI Candello, the lead guitarist of New York based symphonic metal band ASPIRE. Although instrumental and self-recorded, this album undoubtedly shows the great potential of AI and reflects on future style of ASPIRE. And the music shows the same great quality that is becoming ASPIRE's trademark. The first track, "Fairy Tale" has reached #9 in MP3.com's chart of Progressive Metallic while "Carnival" trailed it only by two points. What differs this album from many other guitar releases is difference in styles - from speed metal to blues to classical arrangements to ballad, AI managed to put it all in one CD. If you like power metal or reformist metal, check out this CD. And make sure you also listen to ASPIRE's "Quest Eternal".
