A cross between classic east african rumba and the contemporary congolese sound, with keyboards mimicking horns in the style of quatre etoiles or soukous stars 6 MP3 Songs WORLD: African Details: Alis music is a cross between classic East African rumba and the contemporary Congolese sound, with keyboards mimicking horns in the style of Quatre Etoiles or Soukous Stars while the guitar retains the local element of delicate detail. Varied and musically interesting songs are complemented by a refreshingly raw sound.
