

Mp3 Apostasy - The Lone Wolf

[DOWNLOAD HERE](#)

18 Fire Tracks with Features like Bizzy Bone, and Young Droop, Its a classic for its time. 18 MP3 Songs
HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: Tormented Religion bio Tormented Religion
has been making its mark on the mile high since 2000. With over 3 albums released in stores and over
10000 albums sold on the streets and over 100 tracks recorded TR is heading for the top. Apostasy and
Hypnautic started off as a rap group and evolved to a Record Label in 2005. Taking a more professional
outlook on the industry Tormented Religion has stepped up there game in every aspect. Now recording
everything on Pro Tools with there certified engineers (Chooch and Coop) there ready for what ever the
Industry has to offer. The last year theyve really stepped back and really put 110 into the Apostasy: the
lone wolf album. Highly anticipated and with features like Bizzy Bone of Bone Thugs, Young Droop,
Notorious Tormented Mobstas, Julox, Hypnautic, Quija, Cay Co, Elijah, Mista Poedic and more this album
is going to set of CO and many other states right. Having performed over 50 shows and been in several
magazines and radio play if you dont know Tormented Religion is by know you will real soon. TR and
several other local rap groups joined up and started the N.T.M. (notorious tormented mobstas)
movement. It is three different labels all teaming up for the same cause THE MUSIC. So go pick up the
new APOSTASY: the lone wolf and anything with TORMENTED RELIGION on it. Check out
