The first track blew me away with its upbeat sound quality and instrumentation. Expected to hear the usual synthesized sax and guitar, but sounded like the real thing to me." --Dan Wood, Coronado, CA "The CD blew me away! I don't usually listen to Christian music so I didn't know what to expect. The CD is amazing-it is very professionally done, the songs are great, the singing and background are great-Wow. You are clearly very good at what you do." --Killu Tougu Sanborn, San Diego, CA "The CD was very well done and I have enjoyed listening to it." --Rob Moss, Phoenix, AZ "This morning I played the CD for the first time, and as I was playing the trumpet and flute to all the songs, I was having trouble playing because I was crying so hard, and the anointing was on me so heavy. God was showing me some possible futures, and what the cost would be to be able to get there, and receive and live out what things can be possible. The price is very high, but it is up to each one of us as to whether we individually feel that the price is worth it." --Karen Trader, Redding, CA "I listened to your CD this morning and the anointing came in. The anointing filled my house. The Lord told me to put your CD on the altar and pray for it. You've touched the heart of God. You've touched the heart of God. He said

'watch what happens when you touch the heart of God.' He said 'thank you for investing in excellence. You have touched my heart.' Five or six of the songs on the CD have touched the heart of God. He said 'thank you for 'Daddy's in the House' because I want to be a Daddy in the homes of my people.' He said 'thank you for lingering, for 'Linger.' The Lord said 'your music will touch many hearts, many lives.'"
