

Mp3 Cathy Segal-garcia - Secret Life

[DOWNLOAD HERE](#)

Mostly alternative-jazz originals. Filled with background vocals. A timely project, crying for a movie to want this music.... 10 MP3 Songs JAZZ: Jazz Vocals, WORLD: World Fusion Details: "In Control: Jazz singer Cathy Segal-Garcia's style leans toward heavily melodic vehicles that show off her flowing, at-ease, rhythmic sense...A voice that's soft and warm as cashmere." Zan Stewart, Los Angeles Times "If you closed your eyes you might think she was a highly evolved horn player..." Larry Koonse ...guitarist/composer/record label "Even without seeing her, you know that this voice cannot be owned by a blonde...This is a deep, rich, ballsy voice, washed in browns, blues, and other earth tones." Paul Anderson, Jazzline "A model of warm, exquisitely focused jazz vocalizing...sensuous voice and cool harmonies." Don Heckman, Los Angeles Times
