The style of the music on this CD might be described as early 21st Century in that it is meant to suggest the physical world around us rather than indulging in musical constructs of an abstract nature. 10 MP3 Songs in this album (42:40) ! Related styles: CLASSICAL: Contemporary Details: Put simply, the concept of this Oceanus CD has to do with California seaside towns -- from Pismo Beach on the Central Coast to Venice Beach west of the city of Los Angeles, as well as the city of Avalon on Catalina Island twenty-six miles off the coast of Southern California. Also included is a musical depiction of an excursion boat trip to Avalon. The CD concludes with a choral piece inspired by the Pacific Ocean itself.
