Honing in on her own genre she calls groovetronics, ellee ven has managed to get popular support from the music community. In January 2006, music enthusiasts voted Under My Skin, UNSIGNED MUSIC MAGAZINES pick for VIDEO OF THE YEAR. ellee vens most recent success came with the release of her CD/Vinyl series entitled PROJECT 11. ellee vens remix compilations have solidified her commitment to DJs for their constant support of her music. DJs control the play listthey like a variety of music and so do their listeners. Think about Jay Z releasing a single with Linkin Park, or Tim McGraw and Nelly. Its about great songs, great creative energies collaborating to make something unique. ellee ven goes on to say, Thanks to DJs, my music is spinning internationally. They appreciate the power of melody and the ability for songs to translate well in different genres and languages. Swamp really helped me explore the electronic dance world and it just comes down to what sounds good. A teacher turned artist, ellee ven read a quote by Thoreau and had a moment of clarity, forcing her to start a new. She changed her name, resigned from her teaching position, got a divorce and started writing songs. All life does is bring challenging times. Its about remaining committed to your personal dreams and goals. Its about using each day to move towards that goal.. ellee vens music has been placed on pop culture favorites MTVs Real World and featured in numerous publications including Contour Magazine, Music Connection, DJ TIMES, Rolling Stone and Campus Circle. Compared to indulgences like martinis and massages, her current, PROJECT 11 VOLUME2 hit the charts running and has already been charting worldwide for more than 10 weeks. Billboard Award-Winning Chris Brophys version of VACILLATION charted on DJ Pools nationwide. Building on her

mantra that anyone can make a difference through art, ellee vens annual Give Into The Groove event has enjoyed increased success. I havent sold a zillion albums, but I feel my music has touched people and thats made me feel like a zillionaire, beams ellee ven. Over 1000 people volunteered their time, talents and funds to the event. She promises, If youre doing what you love and working at it every day, EVENTUALLY, hard work pays off! UNSIGNED MUSIC MAGAZINE also nominated ellee ven for ARTIST OF THE YEAR and her album FUNKY BOHEMIA for ALBUM OF THE YEAR. Totally original. New but familiar. ellee ven.
