With CDBABY online store, its an avenue for Independent Labels like ours to utilize. Other Album titles have been sold and new works are in progress. Please visit CDBABY for upcoming albums by E.MEL. The new music genre P'NOISE where P= Poetry, Pacific, Positive, Power, People, etc... is a USAsian American invented original and not AFRO or EURO origin. It does converge USA music genres in one style, formulated by Recording Artist E.MEL, a hybrid of Indigenous and Euro/Afro/Asian cultures only Made in USA. P'NOISE. E.MEL is a pioneer in inventing and creating new media/music styles. A format that men like Bob Marley, who helped popularized an invented REGGAE, are inspired to tell it how it is as

USA and the Universe artist. New music tend to be rejected or are not understood at the early stage. Rock, R&B, HipHop, Rap, recent mix, Reggaeton-a hiphop-spanish-mix music genres had their Life Cycle. Artist like Elvis, Barry White, and etc... had their challenges to converge rock, R&B and Disco, so will P'NOISE artist and followers of this new genre for the 21st Century. This first album was used to inspire E.MEL to write his first screenplay titled: "I SHALL RETURN". The first album is a reference point for E.MEL the artist to tell his story and share it to USA nationwide and the Globe.
