Creative Young Hip Hop and R&B group with a Southern feel. So purchase your album today. 11 MP3 Songs HIP HOP/RAP: Southern Style, URBAN/R&B: R&B Rap mix Details: Listen up Hip-Hop heads are you ready for something new , well here it is , The hottest album on the east and south coast and its called The Royal Treatment . Frankie Allen , Big Plaza and Royalty ,Stright coming out of tar heel state better known as North Carolina . With the underground hit No Lex . That's climbing the charts week after week . So I had to ask Mr. Allen what separates this particular R&B and Hip -Hop album from the rest . Well I think Big Baby Entertainment is nothing like any of these labels around the Lack , we want to give a laid back feel to our listeners . Witch is very true , Frankie provides soft spoken hooks and hardcore lyrics over laid back keys and bass lines . With the help of Carl Major producing and recording , the two men create a perfect blend . Lets not forget his right hand man Plaza . He also has unique style of his own . Check out his solo Down South on the album . You can tell the next release is going to be a hot hit . Be on the look out for that in the future . They also had time to shoot a video , that will be on the air very soon on BET. So have your popcorn and candy ready. You don't want to miss this at all!!
