Has a lil bit of mello , smooth , gangsta , live , street poet vibe to it. 15 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Southern Style Details: If You ever been to Maryland you know the slang that we use , I guess you can say that's perty much a style of flow for us as well. And this time around we decided to keep it all in house , with some special guest here and there. This Album is a stepup from the last compilation we did , produce by Woadey and co produce by BM3Z for HUB Ent. I know for a fact this record is a banger , but I'd like to know whut ya'll think. Take a few minutes and sample our latest tracks , and fill out a preview. light one.
