A relentless experience of indie pop coming at you full force with heart and melodic charm. 14 MP3 Songs POP: Synth Pop, LATIN: Latin Pop Details: Jaime Cruz is primarily a songwriter and storyteller of several mediums. With his songs, he focuses on bringing honest stories that will hopefully leave the listener feeling good. Born in California, raised in Jalisco, Mexico and currently living in Wyoming, of all places, he's been privileged at an early age to become aware of his cultural background and the American voice. His music intends to blend perspectives and bring people together. During his time in Mexico, he was surrounded by Latin Pop, Classic Rock and the Mariachi influence as well as other traditional Mexican music. Being a playwright and having a firm theatrical background as well, Jaime aims at delivering clear stories that not only give us a fun listen, but allow us to look beyond the superficial to find a hint of hope within ourselves. Jaime focuses most of his time as a playwright, singer/songwriter/keyboardist of the popular experimental folk pop band, FOR THE BENEFIT. About the tracks: 1.
