Power Jazz. Amazing rythm section with Ted Belledin on sax. Incredible chops, but also deep feeling arrangements. Really good listening jazz. A bit technical but hey I'm just jealous. 14 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Free Jazz Details: Arrhythmia is a classic jazz record. Original compositions played by truly gifted musicians. Certainly on the high energy side chops is the game and these guys can play. Thought has been put into these arrangements and the flow of the charts shines through.
