Acoustic and Live - Blues/Rock/Pop/Folk 11 MP3 Songs  
BLUES: Acoustic Blues, ROCK: Acoustic  
Details: Kelly's Lot is scaled down to 2 guitars and vocals for this live recording at Hallenbeck's Cafe in North Hollywood. ISWM INDIE PICK OF THE MONTH - (review)...Take the full bluesy rocking sound of Kelly's Lot and reduce it to an intimate trio effect and you have an idea of what this latest offering is all about. But make no mistake, this album may be less volumatic but it possesses the same raw signature sound of Kelly's Lot written over every single track. Delicious enough to ask for seconds.....nay, thirds.
