She has embraced many stages, including return visits to the Robin Hood Dell East in Philadelphia for Annual Unity Weekends, gracing the stage along with many major celebrities, always ending with raving reviews and standing ovations. She has had three astounding performances in 2004/2005 at the World Famous "Showtime At the Apollo" in Harlem, New York, in which she landed 2nd place in one of them and returned again to perform in February 2007. Kym calls this the Early Project of what she is about to release to the world for the glory of God! As Kym ministers the word of God through prophetic song at various church

ministries, conferences, organizational events and so forth, she is known to "change atmospheres" with her powerful, commanding yet melodic voice. Kym's music speaks to every age group, for every situation. You don't want to miss this experience!!!
