A breathtaking joyride that melds sixties' depth, seventies' classic rock virtuosity and craft, an eighties' flair for insistent power-pop hooks; an unapologetic heaviness reminiscent of the grunge explosion. 12 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: Luke Jackson's North American debut release Momentum (2001, Urban Myth) is a breathtaking joyride that melds sixties' singer-songwriter depth, seventies' classic rock virtuosity and craft, an eighties' flair for insistent power-pop hooks and an unapologetic heaviness reminiscent of the grunge explosion. All performed by a young, ambitious and dedicated band still in their twenties. Intensely personal and radio-friendly, Momentum unveils a remarkable talent that a lot of people are going to be keeping an eye on. Group members: Luke Jackson: Guitar, Vocals; Scott Sherman: Bass; Little Man Hands: Guitar and Backing Vox; Pete Morrison: Drums
