Rock 'n' Roll - Kinda... 10 MP3 Songs ROCK: Punk, ROCK: 60's Rock Details: Mr Mediocrity is a 4-piece rock ensemble from the south Minneapolis/St. Paul metropolitan area. For over 3 years Mr Mediocrity has entertained crowds throughout southern Minnesota at various venues, including headlining fairs, town celebrations, and the Minnesota State Fair. Mr Mediocrity has also performed across the Midwest playing to crowds in Illinois and Michigan. In the summer of 2004, Mr Mediocrity entered the studio to record their first album, "It Never Rains in Outer Space", which was released in April of 2005. The band's inimitable flavor and distinctive musical character, hinting at influences from the likes of the Beatles and Brian Wilson provide audiences young and old with powerful, beautiful songs and potent, rousing performances. As Mr Mediocrity's fan base grows, it is certain that the band's extraordinary musical taste will continue to develop, yielding exceptional music for all to enjoy.
