The New WEST COAST EMPIRE IS HERE. The .50 Cal. is GRE's artists compilation. 15 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Hip Hop Details: This is the second release off the Gamblin Records Entertainment label and Pok3rF4ce brings an arsenal of talented artists to The .50 Cal. Compilation. Hugg Loc - The Gangsta Rap Star of the CD shows the many different sides of his writing versatility and drops lyrics about everything from his experiences from the hood life, penitentiary living and gangsta partying. A few my favorite tracks that Hugg Loc is featured on are: We Gonna Ride When I Dont Give a Fucc! On dat Good Stuff CNyleve The sweet and sexy vocalist featured on The .50 Cal. CNyleve brings the variety and extra flavor that any compilation would need. Her vibrant dance music has created a loyal following and with her songs and videos featured on Adelphia/Time Warner has continued to broaden her audience. CNyleve is featured throughout the CD but her two solo tracks are: Follow Me 4 - All Things Done KME Puro Mexicano, KME brings depth and continued lyrical versatility with performances of the bass guitar driven el Jefe del Jefes in which he lays down his lyrical Spanish estilo. His other song is with CNyleve and you hear the range of versatility with a Zapp styled club banger. KME has also been featured on videos with CNyleve on Adelphia/Time Warner. KME is featured on: el Jefe del Jefes So Good So High Ces One Lyrical flow and golden vocals can best describe this one of a kind artist. Ces One has undeniable talent and we had the opportunity to have him flow on a couple of songs. Hear his lyrical delivery and tell me this artist is not hot shit. Ces One is Featured on: Play this Sh!t, Right Here! Heres anotha one (for your bitch ass) Hypah Hound Coming down from the sip, this Mississippi rapper gives the Gamblin west coast roster depth and an extra flavor from the dirty south. With smooth delivery and an undeniable funky southern accent the variety and depth hits your ear hole and begs to hear more. Hypah Hound is featured on: Play this Sh!t, Right Here! Pok3rF4ce The producer of the

album. Versatility and dynamics have been the concept for this album from the start of its conception and has been delivered. From start to finish Pok3rF4ce keeps the album moving and changing, in fact no two tracks sound alike even though the majority of the album was performed on the Roland Fantom. Conceptualized skits, interludes and bonus tracks were made to keep the listner not only bangin but also entertained. Pok3rF4ce is featured on: Every Ghat Damn Track!
