Audiobook Details: Literature of the Harlem Renaissance is a fascinating historical audio book containing information that all Americans should know and people all over the world can appreciate! Hours of study has been reduced to just 30 minutes! Bonus...you can learn virtually anywhere, at your own pace and convenience! It makes a great gift. While it's ideal for students looking for topics for term papers, the information is for anyone who needs it! The Audio Classroom format combines music and sound cues with historical information... creating a pleasant listening and learning experience. Extra added bonus...your listening skills improve! Listening is an important element of success. You listen to Literature of the Harlem Renaissance in much the same way that you listen to a music CD. The only difference is that you're learning! You can listen to one track at a time or listen to the entire CD from beginning to end depending upon your attention span. Repetition is a key to learning... so the CD should be listened to repeatedly. Sheila Evans, author and narrator is an educator with an M.Ed. with honors from The City College of New York. She has recorded several educational books, is a lifetime member of the famed Actors Studio and teaches 'Acting for Animators' at the School of Visual Arts in NYC. She believes learning should be enjoyable and fun...today's technology allows us to supplement traditional learning methods! Sheila wrote her thesis on "listening" and believes that the combination of music and sound cues with information literally sets a tone for learning. She's convinced that knowledge is cool! Literature of the Harlem Renaissance comes with a Matching Game (Quiz) so that you can test your knowledge. You can refresh your memory at anytime by simply playing the CD again!
