

Mp3 Terry Shaw - Leaving Unfamiliar Places

[DOWNLOAD HERE](#)

Music to sit and relax by a cross between Newage and Jazz considerbly called "JazzLaxx" 8 MP3 Songs
NEW AGE: New Age, EASY LISTENING: Mood Music Details: Terry Shaw is a New Age/Jazz/Laxx keyboardist. Growing up in a small city, Port Huron Michigan, he later grew up in Detroit and continued his Music. Starting out with Guitar, as a young child, he ventured into a few bands, The Tornados, The Dynamic Souls of Port Huron and later, mastering the Keyboard synthesizer he became a member of the "Stuff Band" in Detroit. As a teen he was a member of McCoy records, home of the Big Mack Label and Fee records. He performed at numerous night clubs and at one time backed up the famous Jackie Wilson at the then famous 20 grand Club in Detroit. "All instraments are played on the Keyboard". I just want you to hear my music... For best results of enjoying my music have volume at normal level... I want to give all praises to Jahovah, through Jesus..giving them Thanks and Praying, that he give's me more beautiful music to give to you.. Terry Shaw. His Next CD is out now, called "Put your face on". His music is Soul/Jazz/Newage and JazzLaxx, relaxing Jazz. Thanks for listening...
