Mp3 The Onlys - Tune The Blue Screen

DOWNLOAD HERE

An album of mood altering, progressive rhythms that give Alternative Rock Roll a new face 11 MP3 Songs ROCK: Progressive Rock, ROCK: Instrumental Rock Details: From Austin, TX, The Onlys bring you their sophomore album titled "Tune the Blue Screen." This is a musical work of art loaded with weighty tracks driven by warm bass, powerful electric guitar, and ear pleasing keyboards. Explosive percussion tracks give the sound depth and emotion. And, the lyrics will take you far away from daily thoughts, and bring you near subjects of distant familiarity. This amazing trio works wonders to give their sound an orchestral identity to Alternative Rock Roll.
