Increase your order conversions and sign ups to your newsletter by up to 400 with the Ultimate Niche Marketer's Power Script. Niche Modulator is a one time install powerful cgi script that enables you to generate on the fly headings sub headings site welcome messages subscription form headings and more based on exactly the same search terms used by your site visitor when they found your site. This incredible script works with 20+ major search sites including Google Yahoo AltaVista MSN. . . Whatever your customer was searching for theyll find your site the PERFECT answer Sneakier than Dick Dastardly but perfectly above board as far as search engine rules and regulations go Niche Modulator offers an easy way to dramatically increase your web site conversion ratios and can literally explode your subscription rate over night. It does this by specifically tailoring your site content to match the exact needs of your visitor. How it works: By inserting a simple JavaScript code into your sales page the Niche Modulator Script will check to see if your site visitor has come from a search engine such as Google or Yahoo (plus many more). If so the script will identify which search phrase or keywords the visitor used to find your site. Using the exact same search phrase or keywords the script will then automatically generate a new page heading and an opt in subscriber form heading. In fact anything you like
